REGISTRATION FEE is \$50 per horse/pony per division nominated. Each \$50 nominating fee will be added to the appropriate division to which the horse/pony is nominated. For example, if 20 horses are nominated to the A/A Hunter Division, total prize money will be \$1,500 (20 x \$50 + \$500).

Horses/ponies may be nominated for a **maximum of two divisions** and you **must declare the rider at the time of the nomination**. Only one rider per horse (**with the exception of 1st Year Green, 2nd Year Green and Regular Open Hunters**), per division will be allowed.

### **NOMINATIONS MUST BE SUBMITTED ON THE OFFICIAL REGISTRATION FORM.**

PRIZE MONEY per division will be awarded as follows:

60% to the owner

40% to the trainer

If there is a tie, the division prize money will be divided equally among the tied horses, otherwise awards will be to first place only.

Points from the horse/pony's BEST 5 NORCAL SHOWS in the 2010 season will be tabulated by NorCal. Points will be computed in the same format as for NorCal year-end awards.

Each horse, pony, owner, trainer and rider MUST be members of NorCal.

For points to count, each horse/pony must be recorded with NorCal and registered in the program @ \$50 per division. **Points will be counted from the date the nomination is post-marked. Points will NOT be tabulated retro-actively.**

In the event a horse/pony is sold you can re-nominate with a new owner or rider and start accumulating new points. Points cannot carry over from previous owner/rider.

AWARD CHECKS will be presented at the annual NorCal Awards Brunch in January.
